Topics include presentations and discussion on the Holy Land, the Israeli/Palestinian conflict, and seeing Jesus today in the lands of the Bible. An emphasis can also be given to the work of Lutherans in the Holy Land, and to the ministries supported by Bright Stars of Bethlehem, an ecumenical organization supporting Lutheran ministries in Palestine.

The mission of Bright Stars of Bethlehem is to partner in growing hope in Palestine by connecting people in the United States through awareness-raising, education, prayer, travel, and fund-raising, to the ministry efforts of the Diyar Consortium of outreach ministries, led by the Rev. Mitri Raheb, of Christmas Lutheran Church, Bethlehem. These ministries support the health, educational, cultural and spiritual development of people of all ages in Palestine.
