**DESCRIPTION OF YOUR OFFERING:** Walking 500 miles after retirement sounds crazy, but many people walk this ancient pilgrimage during a time of transition in their life. Retired pastors Anne and David Andert did just that. It was a powerful and incredibly beautiful experience that left them among those who are eagerly anticipating yet another pilgrimage in their future. Highlights included the global community of pilgrims, the trajectory toward a healthier retirement, breathtaking scenery, churches and buildings dating as far back as the 11th century, sharing a co-ed room with two dozen other pilgrims, delightful conversation on the way or over abundant coffee, food and wine.
