

## REFUGEE RESETTLEMENT

# WELCOME BOXES

Use the following lists to collect basic items to furnish apartments as new homes for arriving refugees. Some items will need to be purchased; others, which are used but in good condition, can be included. Check your own household for such items; invite your family, friends, and neighbors to join you in welcoming these new neighbors.

When a container has been completed, check off all items that are included. Mark it COMPLETE. Attach the appropriate label securely to the side of the box, or top of basket/container.

Please notify: Jean Berg, 608-221-1328 **or email:** [jeanbberg@yahoo.com](mailto:jeanbberg@yahoo.com) **or contact:** Lutheran Social Services: 608-250-2671 of your donation and to arrange for storage and/or delivery.

Equal to or perhaps **greater** than the need for STUFF is the **need for compassionate caring persons** who are willing **to set up an apartment. and/or to offer assistance** in these early days of their arrival. It is a mark of HOSPITALITY and essential in **WELCOMING** these immigrants as neighbors!

Orientation for volunteers is provided through Lutheran Social Services (LSS) in collaboration with a network of volunteers.
